Laminex DiamondGloss surfaces are marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to the Laminex DiamondGloss surfaces range as photographic lighting and modern printing processes allow. Laminex DiamondGloss surfaces range is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex DiamondGloss surfaces should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface.
